Rally Conditions and Prerequisites

- Pure Electric Driving
 - This is not a race, but a challenge with Q&A and efficient driving on only using electric energy previously stored
 - You might choose to charge during the run at the charging station we are driving to.
 - If you have to use fuel to recharge your batteries your energy consumption rises by the real value which is 36.6 kW per gallon used. Volts and Karma have to fuel up before and after.
- Electronic answers are desired
 - You can submit your answers directly to www.teslaowners.us
- Finish your 100 miles in 6 hours
 - This is over 50 % more time as Google maps gives you. Sorry you are disqualified when you exceed this time limit. Please call us if you will not make it. We can pick you up as well.

Rally Extra Points and Deductions

- Questions are about 1 at each station
 - For each right answer you are getting 1 point
- Extra points
 - For a photo of a No-Way charging location e-mail to info@teslaownes.us we reward a point.
 - If you get ICEd we will reward a point for each car per spot. Proof by phone photo is required.
 - If you call police and made them aware of ARS 28-876 you will get 3 point. Proof police ticket call number.
- Efficient driving and matching 100 miles
 - We reward efficient driving. Most efficient driver in each category will get 3 points. Second 2 and so on.
 - Every additional miles driven will deduct 1 points per mile

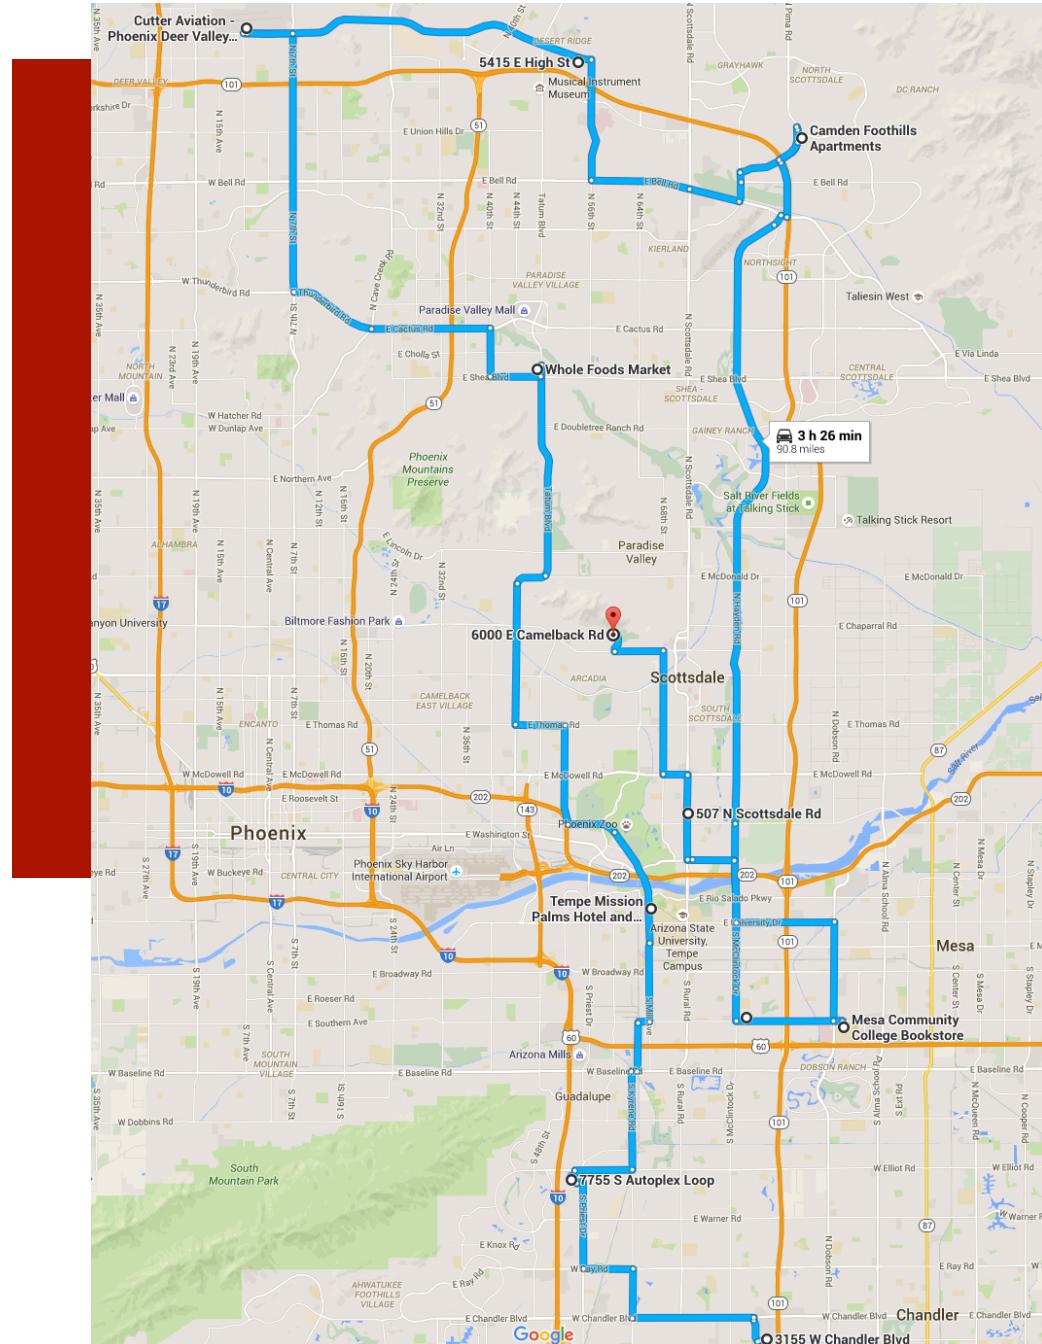

Adhere Traffic Laws / Take Ownership

- Adhere to all traffic laws
 - As always on public roads you have to agree to all traffic laws and you are responsible for your own actions.
- What do you need
 - You need an odometer that measures Miles driven and energy consumption in kW. Should be in your car. Make yourself familiar on how to read out data like miles and kW consumed.
 - You need to reset your odometer at the beginning. You are requested to record your miles & consumption at each station
 - You would need a map or a navigation device.
 - You need cool drinks during the ride and good humor.
 - You need a mobile phone in case you need to call us.
 - Don't forget additional EV time. Or Tesla time. You will get questions. Please be courteous and answer to the public.
